Terms and Conditions of Sale

TERMS—1% discount for cash if paid on or before 10th of month following date of invoice, and is due NET 30 days thereafter. Interest charged on past due accounts.

These terms are offered to those with established credit; otherwise cash, security, or satisfactory references. **C.O.D. orders must be accompanied by one-fourth cash.**

PRICES named in this list are based upon present market conditions and are subject to change without notice. These are Wholesale Prices and apply upon the following quantities:

30 of any variety and size at the hundred rate.

300 of any variety and size at the thousand rate.

Samples at list price.

Note:—Classifications as given above are understood to be as listed under general headings in price list. (Broken lots of less than quantity listed of any one variety and grade will be billed at 15% above rate.)

ALL PRICES ARE NET, BOXING AND BALING EXTRA.

SHIPPING—Please give shipping instructions whether by freight or express and route. If no instructions are given we will forward to the best of our judgment, without assuming responsibility. **All goods travel at the purchaser's risk and expense.**

TRUCK SERVICE—We are able to offer truck service within a radius of 300 to 500 miles from Fremont. Charges average about the same as railroad rates with delivery at your door. If interested write for further information.

CAUTION—We accept all orders subject to crop conditions and on condition that same shall be void should injury befall our stock from hail, fire, frost, error in count or other causes beyond our control. All contracts are subject to war priorities on material, transportation and other causes arising that may limit, restrict or make impossible performance thereunder.

GUARANTEE OF GENUINENESS—If any nursery stock proves untrue to description or variety under which it is sold, we hold ourselves in readiness, on proper proof, to replace such nursery stock that may prove untrue to description or name, or refund the original amount paid. We shall in no case be liable for any sum greater than the amount originally received for said nursery stock.

CLAIMS for any cause must be made promptly on receipt of stock. We will not entertain claims after goods have once been accepted, or when report is not made with **Ten Days** after arrival of stock. We express or imply no warranty as to productiveness or life of the nursery stock we sell and will not be in any way responsible for the results secured in transplanting.

SPECIAL NOTICE—Correspondents are requested to use their printed business letterheads. We do not quote wholesale prices to retail buyers. We use every effort to limit the distribution of trade prices to those whom we know to be entitled to receive them.

Large dull green leaves, spreading habit of growth. New growth is bright greenish brown.

Poplar, *marilandica*

Largest leaves of the new varieties, light green. More moderate grower with bright green new growth. Spreading habit.

Poplar, *deltoides missouriensis*

Large bright green leaves. More upright growth and desirable for street or parkway planting.

Poplar Yellow, Lydick

This is an all-purpose tree. One of the best that we know of for lumber. The wood can be planed either with or against the grain. Lumber from the yellow cottonwood, used in farm buildings on the Lydick farm near Tekamah, Nebraska has withstood the wet and weather for over fifty years and is still in excellent condition. Spreading habit and fast grower.
